

HELP OUR SCHOOLS WHEN YOU SHOP AT OFFICE DEPOT/OFFICE MAX

Office Depot/Office Max has a new program where they will donate 5% of your total purchase (before sales tax) to a school of your choosing. They will donate for every purchase you make as long as you give them the code when you check out. If you happen to forget to take the code with you, ask the sales associate to look it up for you. When you check out whether in store or online, provide the code of your choice.
