

Vision Statement: To meet the needs of every student, every day

Motto: Pride, Passion, and Excellence

Core Values:

1. Students first

Indicators:

- Provide a comprehensive education for all students
- Individualize learning opportunities to respond to the uniqueness of our learners
- Utilize research-based, rigorous curriculum and authentic applications and assessments
- Foster students' successes while valuing student individuality, dignity and diversity
- Encourage high standards for quality work and personal conduct

2. Stakeholders committed to pride, passion and excellence

Indicators:

- Strive for excellence through collaboration and professional development
- Display passion for students and the learning process
- Attract, retain and support effective educators
- Foster positive and effective communication between staff, administration and the school board
- Staff involvement in school activities

3. Parent/community partnerships

Indicators:

- Increase opportunities for family and community involvement
- Utilize highly effective communication approaches to reach all stakeholders
- Create partnerships that increase learning opportunities and resources

4. Results matter

Indicators:

- Engage and inform the community to promote continual district growth and improvement
- Entertain proposals for change or innovation with an open mind
- Provide an environment that cultivates new ideas and strategies
- Use reliable data as a basis for decision making

5. Next generation skills

Indicators:

- Identify and expand technology to maximize learning for all
- Provide relevant and authentic learning experiences
- Foster collaboration, collective inquiry, problem-solving, creativity and leadership
- Provide opportunities for career and college readiness
- Extend learning opportunities beyond district boundaries

6. Quality facilities and equipment

Indicators:

- Provide safe, welcoming and well-maintained buildings that enhance teaching and learning
- Create a long-range plan to maintain facilities and equipment
- Encourage community use of district facilities
